How Sage Impact helps you

Engage your clients

The tools and solutions you need to become a more valuable advisor to your clients are available at your fingertips—giving you access to real-time financial data, powerful dashboards, and customer insights.

Optimize your practice

Sage Impact¹ gives you access to solutions that help you run your practice more efficiently online—including Sage accounting solutions and your appointments, emails, and Gmail accounts.

Grow your business

Sage Impact¹ helps you find clients based on your skills and their needs. In addition you'll get access to an extensive library of marketing tools and resources to help you capture new business, all just a click away.

Develop your knowledge

Get certified, learn new skills, or expand your horizons with online educational courses geared toward accounting professionals. Keep up with the latest trends and changes related to your practice through social media and share your expertise and exchange ideas in online community.

Do it all in one place

Manage everything in a single, fully customizable location. Sage Impact¹ is built on an open platform, so it integrates with many of the online solutions that you already use in your practice.

¹ Accounting professionals only. To receive and maintain access to Sage Impact, you must be an accountant or bookkeeper providing professional accounting or bookkeeping services for multiple fee-paying clients. If at any time Sage determines that you are no longer eligible, your access will be terminated. Third-party and additional Sage apps or services may be subject to fees and separate terms and conditions.
